ACL/AoA Office for American Indian, Alaskan Native, and Native Hawaiian (AI/AN/NH) Programs

Funding Opportunity Title: Older Americans Act (OAA), Title VI, Part A: Grants for Native Americans/Alaska Natives Programs; Part B: Grants for Native Hawaiian Programs; and Part C: Grants for the Native American Caregiver Support Program (available to American Indians, Alaska Natives, and Native Hawaiians).

Announcement Type: Initial

Funding Opportunity Number: HHS-2023-ACL-TITLEVI-2301

Catalog of Federal Domestic Assistance (CFDA) Number: 93.047, Title VI, Parts A and B and 93.054, Title VI, Part C.

Key Dates: The deadline date for submission of applications is 11:59 p.m., Eastern Time, on December 6, 2022.

I. FUNDING OPPORTUNITY DESCRIPTION

The purpose of Title VI of the OAA is to promote the delivery of nutrition, supportive and caregiver services to American Indians, Alaskan Natives, and Native Hawaiians that are comparable to services provided under Title III of the OAA. The goal of these programs is to support the independence and well-being of tribal elders and caregivers living in their communities with nutrition, supportive and caregiver services consistent with locally-determined needs.

Title VI Parts A/B authorize grants to Indian tribal, public, or non-profit organizations representing federally recognized Tribes, Alaskan Villages, and Native Hawaiians to provide nutrition and supportive services. Required nutrition services include congregate meals and home-delivered meals. Other nutrition-related services could include nutrition counseling, nutrition education, sponsorship of farmer's market programs, or distribution centers for food banks and charitable organizations. Required supportive services include information and assistance, but these funds could also provide transportation, chore services, and many other services that contribute to the well-being of elders.

Title VI Part C authorizes grants to Indian tribal, public, or non-profit organizations representing federally recognized Tribes, Alaskan Villages, and Native Hawaiians to provide caregiver support services. The program helps tribes provide locally-determined systems of support services for family caregivers.

Statutory Authority

The statutory authority for grants under this program announcement is contained in Title VI of the Older Americans Act (OAA) (42U.S.C. 3032), as amended by the Older Americans Act Amendments of 2016, P.L. 114-144 (Catalog of Federal Domestic Assistance 93.047 and 93.054).
